

MAKE MINE A MARYLEBONE

Just like it takes a village to raise a child, it takes a great village to create one of London's most vibrant communities. This year, we're celebrating the magic of Marylebone Village during the festive season in partnership with the independent boutiques that neighbour our hotel. Journey through The Marylebone over the holiday season and find unique Christmas trees and installations created by our neighbours and displayed throughout the hotel.

Toast the season with a carefully crafted menu of festive cocktails, each cocktail representing the individuality and creativity of the boutiques that make Marylebone special.
